

Latex 5-finger glove with wrist cuff

A great choice of dry glove for recreational and technical divers

A heavy duty dry glove with conical cuff. The glove is designed with pre-bent fingers and gives the user great comfort, ergonomics and dexterity. Perfect for divers who want dry hands, but do not want to use a Dry Glove system with rings.

Sizes:

Large (10) and X-large (11).

Item no:

- 61113 (large size)
- 61114 (X-large size)
