

Quality Policy

SI TECH AB shall strive to satisfy and exceed all our customers stated and unspoken needs and to deliver correct products on time to our customers.

SI TECH AB shall always be the obvious supplier with focus on constant improvements.

This shall be done by:

- Documented/measurable goals which are updated annually.
- The quality policy should be reviewed/discussed regularly on our staff meetings.
- The quality policy should also be evaluated on the management's annual review meeting.
